Matt,

Thanks for the photos, they're helpful. I've attached a .kmz file showing the general area. Would it be possible for you to outline the overall area that needs mapping? That will help us establish a cost. Also attached is a .pdf of the area if that's easier for you to mark up.

Thanks,

Parker S. Newby, P.L.S.

Parker

Thanks for talking to me about our needs in gather LIDAR data at the Gold king. Attached are some photos showing the portal and mine dump areas needing work. Please take a look and give me an idea of the costs and timing.

Thanks
